IMPORTANT SAFETY NOTES

- Do not use speaker in areas where flammable gases or fumes are present.
- Do not expose speaker to water or other sources of moisture. Speaker contains an internal lithium ion battery.
- Do not expose speaker to extreme temperatures. Extreme temperatures will shorten the battery’s life span.
- Use only the supplied micro USB charging cable to charge speaker. Using other USB chargers may overcharge the internal battery and shorten the battery’s lifespan.
- Do not attempt to disassemble speaker or replace the internal battery. Doing so will void your warranty.

TROUBLESHOOTING

Issue: *I can't connect my Smartphone.*

Try: Make sure your phone's speaker is touching the Set to Connect™ Touchpoint logo. Your phone's orientation on the speaker may need to be horizontal, vertical or offcenter to properly connect.
